Ceremony...

A satisfied flower is one whose petals are about to fall. The most beautiful rose is one hardly more than a bud wherein the pangs and ecstasies of desire are working for a larger and finer growth. Not always shall you be what you are now. You are going forward toward something great. I am on the way with you and therefore I love you

1st Rice Ceremony...

I Love You

I love you for what you are, but I love you yet more for
what you are going to be.
I love you not so much for your mistakes as for your
loyalty. I pray for your desires that they may be great,
rather than for your expectations, which may be
neither so great nor so true.
