Divya Birthday cer

Let there be spaces in your togetherness, And let the winds of the heavens dance between you.
Love one another but make not a bond of love. Let it rather be a moving sea between the shores
of your souls. Fill each other's cup but drink not from one cup.
Give one another of your bread but eat not from the same loaf. Sing and dance together and be
joyous, but let each one of you be alone. Even as the strings of a lute are alone though they
quiver with the same music. Give your hearts, but not into each others' keeping.
For only the hand of Life can contain your hearts. And stand together, yet not too near together.
For the pillars of the temple stand apart. And the oak tree and the cypress grow not in each
others' shadow.

আয় আয় চাঁদমা টিপ দিয়ে যা ।
চাঁদের বস্পালে চাঁদটিপ দিয়ে যা । খান জঁনলে বুঁতো দেবো,
মাছ বাঙালি মুঁতো দেবো, ধুঁদুখাবার বাঁটি দেবো,
চাঁদের বস্পালে চাঁদটিপ দিয়ে যা ।

A satisfied flower is one whose petals are about to fall. The most beautiful rose is one hardly more than a bud wherein the pangas and ecstasies of desire are working for a larger and finer growth. Not always shall you be what you are now. You are going forward toward something great. I am on the way with you and therefore I love you.

I Love You

I love you for what you are, but I love you yet more for
what you are going to be.
I love you not so much for your realities as for your
ideals. I pray for your desires that they may be great,
rather than for your realizations, which may be so
neatly and so safely.
