For all the pleasures prove,
That life and nature give you in today,
Look at these, married's bliss...

[illegible]

Tell me how many years I have to be
 Jesus Christ and I'll save my faith
 Unswerving from the dark of sin
 And then my life will be a golden sign
 So many times but never pain.

May the love

your lifetime through.
It's a magic a

Happy, blessing
anniversary.*

*On the fading sun, I may
Smile in to throw a look
Oh, what words cannot touch
And in every corner may
Passing time all mine
Shall sing that over half out,
Beg and cry, fall and fall
To end things and survive proud
But only with for the first day
My eyes can meet your innocence
Your warmth, and how your heart play
Which alone can bring the eternal essence.
That even could never stay*

SWEET MEMORIES
★

*It is easy to love people for a while.
It is not always easy to love
those close to us. It is easier
to get a cup of tea to eat than
hunger than to return the loveless
and pain of someone who
is not concerned. Being here
into your heart for that is
where our love for each
other must start.*

The way you smile and
Dance to your soul,
Look, they are so beautiful,
You are the queen,

A heart is just for you,
