JUST MARRIAGE

The great beauty of a wedding is not in the ceremony itself, but in the opportunity of sharing and each other's character before marriage, which is more valuable.

When you realize you
want to spend the rest of
your life with somebody,
you want the rest of
your life to start as soon
as possible

The *geom_smooth* function uses the *lm* function to fit a linear model to the data. The *geom_smooth* function also has a *method* argument that can be used to specify a different smoothing method. For example, *method = "loess"* would use a loess smoothing method.

Let there be unity in our togetherness. And let the words of the treasure that is between us
 let us see another that takes out a heart of love. Let it stand in a meeting, one between the shores
 of your world. Fill each other's cup with love. Not here and not
 there. One another of your world but not too far from the same love. Sing and dance together and
 praise. And let each one of you be seen. Even on the things of which are alone though they
 come with the same heart. Give your heart, but not into each other's hands.
 For only the hand of life can bring us together. And each heart together.
 For the pillars of the temple stand apart. And the sun and the moon give rest to each
 other's stars.

The real act of marriage takes place in the heart, not in the ballroom or church or synagogue. It's a choice you make on your wedding day, and over and over again, and that choice is reflected in the way you treat your husband.

WEDDING RECEPTION

*From every human being there rises a light
that reaches straight to heaven. And then
two souls that are destined to be together
find each other, their streams of light flow
together, and a single brighter light gives
birth. From their united being*

LOVE & LOVE ONLY

Love isn't judged by the looks,
the laughs, the fights, the tears,
the hugging, or the time spent together.
It's judged when even after
all that you're still standing
together side by side,
hand in hand.

Come live in my HEART
and pay no rent

There's a billion people on the planet.
What does any one life really mean?
But in a marriage, you're promising
to care about everything. The good
things, the bad things, the terrible
things, the mundane things, all of it,
all of the time, every day. You're saying,
Your life will not go unnoticed because
I will notice it. Your life will not go
unloved because

I will be your witness!

Love is a moment

- The die is cast, come what, come may
- Two lives are joined together,
- For better or for worse, the yoke
- Which naught but death can sever
- The die is cast, come grief, come joy
- Come richer or come poorer
- I have but bidden the mystic tie

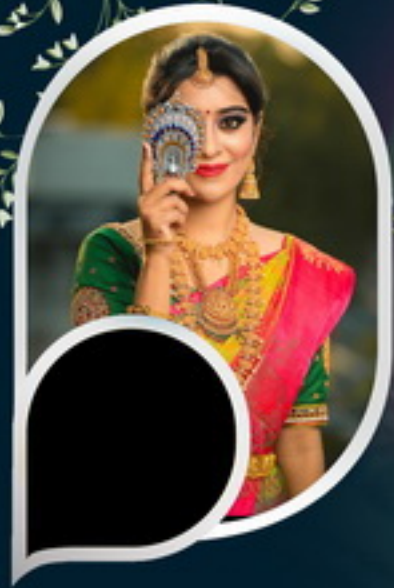

Love is the bride's hour

Love is life.
And if you miss love,
you miss life....

Ek dusse he liye

I'm in love with you,
and I'm not in the business of sleeping
myself the simple pleasure of seeing true
things. I'm in love with you, and I know that
love is just a shout in to the void, and that
oblivion is inevitable,
and that we're all doomed and that there
will come a day when all our labour has
been returned to dust, and I know the sun
will swallow the only earth we'll ever have,
and I'm in love with you!

MY *Life* WITH YOU

"Every heart sings a song, incomplete, until another heart
whispers back. Those who wait to sing always find a song. In
the touch of a love, everyone becomes a poet."

The Wedding Story

Let me not to the marriage of true minds
Admit impediments. Love is not love

Which alters when it alteration finds,
Or bends with the remover to remove:

O, not it is an ever-fixed mark,
That looks on tempests and is not shaken:

It is the star to every wandering bark,
Whose worth's unknown, although his height be taken,
Love's not time's fool, though rosy lips and cheeks
Within his bending sickle's compass come:

Love alters not with his brief hours and weeks,
But bears it out even to the edge of doom,
If this be error, and upon me proved,
I never writ, nor no man ever loved.

LOVE IS COMING

THIS IS THE TRUTH: WE'RE NOT ANOTHER
BETTERMAN BRAND OF CIGARETTES.
WE'RE JUST LIKE YOU & YOURS. NO CIGARETTE
IS THE SAME AND NEITHER ARE THE PEOPLE
WHO SMOKED THEM IN THE PAST.
THEY WERE JUST LIKE US THEN.

THESE RESULTS DEMONSTRATE THAT THE EFFECT OF THE
STIMULUS BEING USED WITH SUBJECTS WITH ACOUSIS
WAS NOT THE SAME AS THE EFFECT OF THE STIMULUS
USED WITH SUBJECTS WITH NORMAL HEARING.
THESE RESULTS ARE NOT THE SAME AS THE RESULTS
OBTAINED BY OTHER RESEARCHERS.

These results indicate that there were no significant differences in the mean values of the variables studied between the two groups. The results of the study suggest that the use of the proposed method is effective in the diagnosis of the disease.

Our Wedding

Let us tell in the language of your heart
About the love that we have found

When others were in attention here,
In love with the promise of forever

Is not it to us that love came
That made us happy and so glad to share

It is this love we want to tell you
About our wedding day
When we were in love and
When we were in love and
When we were in love and

Love often tells us that we are not alone
For when it is with us we are not alone
If you do not, and you do not
Love often tells us that we are not alone

The image features a modern, abstract design. On the left, there are two solid black hexagons stacked vertically, with a magenta line passing through them. To the right, a large, thick magenta line forms a stylized, rounded shape that resembles a large letter 'C' or a bracket. The background is white, and the overall aesthetic is clean and contemporary.
