OUR Wedding Story

Iqbal & Satil

A great marriage is not when the perfect couple comes together. It is when an imperfect couple learns to enjoy their differences

Happy
Wedding.....

Wedding ceremony

I wish you joy by the lake, the light, the fire, the sea.
The laughing in the time spent together.
It's joyous when you are all that you are still wanting
Together side by side hand in hand

Ceremony

.....ON 10TH MAY 2021

A romantic couple is the central focus of the image. The man, on the left, is wearing a bright blue button-down shirt and has his arms around the woman. The woman, on the right, is wearing a vibrant red, sleeveless, floor-length dress with intricate lace detailing. They are both looking at each other with affection. The background is a dark, moody scene with silhouettes of trees and a body of water, framed by a torn-paper effect. The foreground is a white, textured surface that looks like snow or a rough wall. Three red geometric shapes are overlaid on the image: a large arrow pointing right in the top right, a large arrow pointing up in the bottom left, and a large arrow pointing down in the bottom right.

For the whole ceremony, some new two are joined together.
For some of them as the H-15181 might be seen on road.
For the first time a few years in the past, people have
started to go to the first ceremony.
