Feel SO HAPPY...

Love cannot endure indifference... It needs to be wanted. Like a baby, it needs to be fed out of the oil of another's heart, or its flame burns low. You will find as you look back upon your life that the moments when you have truly loved, are the moments when you have done things in a spirit of love.

POST
WEDDING

Post wedding photography is a type of wedding photography that captures the moments after the wedding ceremony. It is a popular choice for couples who want to relive the memories of their wedding day. Post wedding photography can include a variety of shots, from formal portraits to candid moments. It is a great way to capture the joy and love of the wedding day.
