Love is the expansion of two
natures in such fashion
that each includes the other,
each is enriched by the other.

Romantic Day

To speak frankly, I'm not in favour
of long weddings.
they give people the opportunity of finding out each
other's character before marriage,
which I think is never advisable.

When you are in love, you are
never in a hurry to get married.
You take time to choose the person you
want to spend the rest of your life with.
You take time to choose the person you
want to spend the rest of your life with.
