*When you make a sacrifice in marriage, you're sacrificing not to each other but to unity in a relationship.*

## Marriage

Somewhere there as both in this world of ours  
For one lone soul, another lonely soul -  
Each chasing each through all the weary hours,  
And meeting strangely at one sudden goal.  
Then blend they - like green leaves with golden flowers,  
Into one beautiful and perfect whole -  
And life's long night is ended, and the way  
Lies open onward to eternal day.

Love is life.  
ALL, everything that I understand,  
I understand because I love....

*Smile.*  
It will make him so jealous  
to see you're happy without him.

WEDDING CEREMONY

Two souls with but a single thought,  
two hearts that beat as one...

WITH YOU,  
I'M HAPPY.

When I'm with you, I act different.  
In a good way. I smile more and  
laugh more. With you, I can drop  
the fake smile and put on a real  
one. I don't feel hurt and alone  
when I'm with you. Instead, I feel  
safe and loved. You're easy to talk  
to, and you listen to me. I don't  
ever feel sad, you show that you  
really do care, and you're not just  
pretending. I really appreciate what  
you did, because with you, I'm  
different. With you, I'm happy.

## MARRIAGE

A marriage...makes of two fractional  
lives a whole;  
It gives to two purposeless lives  
a work, and doubles the strength  
of each to perform it;  
It gives to two  
questioning natures  
a reason for living,  
and something to live for;  
It will give a new gladness  
to the sunshine,  
a new fragrance to the flowers,  
a new beauty to the earth,  
and a new mystery to life.
