Thank
you
for blessing me

I hope you grow up
to be smart,
wise and tough
However, know that
you will always be
a little baby to me!

Photo Frame Mockup

Letter Ipsum is simply dummy text of the printing and typesetting industry. Letter Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Letter Ipsum phrases, and more recently with desktop publishing software like Aldus PageMaker including versions of Letter Ipsum.

LITTLE GIRL *Little Girl ...*

Little girl, little girl,
where have you been?
Gathering roses to
give to the queen.
Little girl, little girl,
what gave she you?
She gave me a diamond
as big as my shoe,
