MADE FOR EACH OTHER

*Experts on romance say for a happy marriage
there has to be more than a passionate love. For a lasting union,
they insist, there must be a genuine liking for each other.
Which, in my book, is a good definition for friendship.*

A couple in traditional Indian wedding attire. The woman is wearing a red and green sari with gold jewelry. The man is wearing a dark purple kurta with red accents. They are standing in a circular frame with a gold floral border. The background is a dark teal color with gold floral patterns in the corners and small gold dots scattered throughout.
