CONGRATULATIONS
WISHING THE **BOTH OF YOU**
A BOUNTIFUL LIFE,
WITH LOTS OF SPIRITUAL
NOURISHMENT AND LOVE!

MOMENTS

Although loneliness has always been a kind of "I'm
 leaving my life in your hands
 People say "be crazy and start climbing
 But, not all are alone
 How you act me still is still a mystery
 I can't figure you out of my heart
 Don't care what is even your best friend
 Asking as you believe with me
 I don't know who you are
 Where you're from
 What you did
 As long as you love me
 Who you are
 Where you're from
 Don't care what you do
 Asking as you love me
 Every time I'm thinking
 And you know so well
 Feels like his drop within me
 Don't care really matter
 If you're on the run
 Because I would've had to be
 I've tried to hold on that I can't let go
 But I won't let go
 Where you're from
 What you did and where you're from
 I don't care, asking even I made me today

A person wearing a bright yellow, long-sleeved shirt is holding a blue, scaly object that resembles a dragon's head or a large lizard. The object has a long, curved snout and a small eye. The person's arm is visible, showing a tattoo. The background is a blurred outdoor setting with a railing and trees.

BRIDE &

There's a time that only death can
be necessary for love and a life time
that be the time when the love is
and we are, we are much

It's easy to turn people for away.
It's not always easy to turn
them away to us. It's easier
to give a cup of ice to relieve
hunger than to relieve the thirstiness
and pain of someone without
in our own heart. Being free
and your heart for this is
where we struggle with
others must wait.

Best Couple

On the joyous day of your wedding,
As you both say, "I do",
May the Lord shower His blessings on you.
And may your love last a lifetime through...

It's you I'm looking for
It's you I'm looking for
It's you I'm looking for

WEDDING

Only if you could look
into my heart,
my life...
you'd see
that you mean to me,
you'd understand
all the thoughts,
I somehow
can't express about
our love and
our togetherness...

*It's your wedding day,
So perfect and fine,
With all your friends around you,
To have a good time,
And we wish you much happiness
Starting your lives as one,
Always give love to each other
With lots of laughter and fun.*

BRIDE & GROOM

"There are two basic motivating forces: fear and love. When we are afraid, we pull back from life. When we are in love, we open to all that life has to offer with passion, excitement, and acceptance. We need to learn to love ourselves first, in all our glory and our imperfections. If we cannot love ourselves, we cannot fully open to our ability to love others or our potential to create."
