Birthday

A baby will make love stronger, days shorter, nights longer, bankroll smaller, home happier, clothes shabbier, the past forgotten, and the future worth living for.

"The moment a child is born, the mother is also born. She never existed before. The woman existed but the mother, never. A mother is something absolutely new."

The collage features several photographs of babies. On the left, a vertical strip shows a baby in a blue outfit and another in a red outfit. Below these is a small photo of a baby in a white outfit with a green and yellow patterned background. The center features a large circular photo of a baby in a red and white striped shirt and white pants, surrounded by gold and silver balloons. To the right of this is a smaller circular photo of a baby in a white outfit. The right side of the collage is dominated by a large, detailed photo of a baby in a traditional orange and red Indian outfit, adorned with a white flower garland and a bindi. A cartoon monkey is positioned above the large photo. A purple circular badge with the text "Sweet memory" is located near the bottom center. The background is a mix of orange and white.
