Only if you could look

you'd see
all that you mean to me
you'd understand
all the thoughts,
I somehow
can't express about
our bond and
our togetherness...

SWEET MEMORIES

"We are so lucky to have each other"

I am not sure that life is a dream
Now, in this day, in this time
The tale of only the apple and
My heart may be true
I do not know what makes the time
Nor what someone's world may be
But I have you in my world
And I am not alone

*Heart skiping a beat,
grazing your temple
lighting your abaya eyes
building sudden rages,
urging love deep and sincerely
drowning alive in the sea
for us is what the
sacred blood of love.*

Two Trees

A portion of your soul has been
knocked down
I shall never let it down
I shall never let it down
I shall never let it down
As two trees deeply rooted in
separate plots of ground,
while their topmost branches
touch together,
I shall never let it down
I shall never let it down.

On the joyous day of your **wedding**,
As you both say, "I do". May the Lord
