LOVE IS DARK, LOVE IS MEHNDI

"A successful marriage requires falling in love many times,  
always with the same person."

When I sleep, I dream of you, and when I wake,  
I long to find you in my arms. If anything  
our time apart has only made our union closer than  
I want to spend my nights by your side,  
and my days with your heart.

Loving you never was an option. It was a necessity.
