Tell me how many
beads there are
In a silver chain,
Of evening rain,
Unravelling from
the tumbling main,
And threading the eye
of a yellow star
So many times do I love again

All you need is love

Not all of us can do great things. But we can do small things with great love.
Serving love doesn't bring any interest.

Come live in my HEART and pay no rent

There's a billion people on the planet.
What does any one life really mean?
But in a marriage, you're promising
to care about everything. The good
things, the bad things, the terrible
things, the mundane things all of it,
all of the time, every day. You're saying,
Your life will not go unnoticed because
I will notice it. Your life will not go
unwitnessed because
I will be your..... **witness!**
