SANGEET SANDHYA MEMORIES

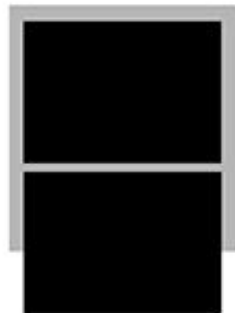

"They say when you are missing someone that they are probably feeling the same,
but I don't think it's possible for you to miss me as much as I'm missing you right now"

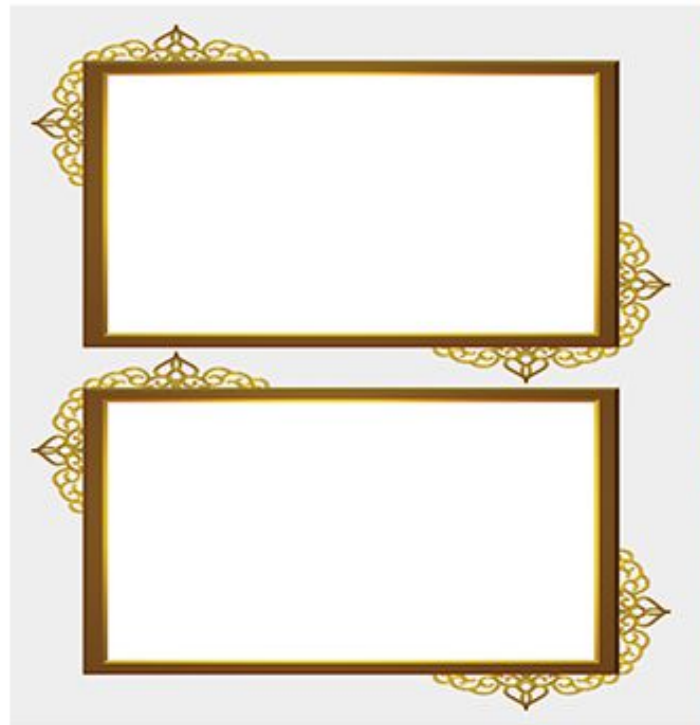

CEREMONY
SANGEET

Somewhere there waits in this world of ours for one love and
another lonely one - Each waiting each through all the weary hours
And meeting strangely at one random spot - Your love they - too green
Sprays with golden flowers, they are beautiful and perfect whole
And this long night is endless and the way
Like open roads to eternal day

I feel delighted to recall the day when we first met this look great together
Your love makes the day that love takes me to a wonderful world of dreams

Sangeet Sandhya

Somewhere there waiteth in this world of ours for one lone soul, another lonely soul -
Each chasing each through all the weary hours, And meeting strangely at one sudden goal -
Then lo! they - like green leaves with golden flowers, into one beautiful and perfect whole -
And life's long night is ended, and the way lies open onward to eternal day

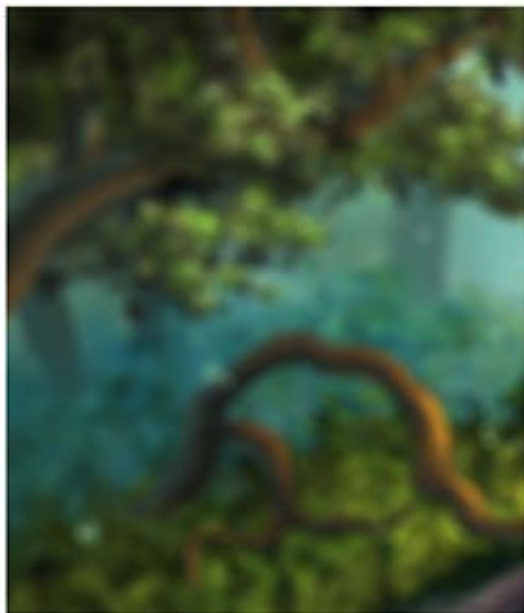

Here is to making a wish and having it come true - congratulations on your happy wedding!
