they apple of my eye
the cherry of my life
the prize of my achievements

But my expression will suffice

WEDDING MOMENTS

From the bride and groom's first look to the wedding ceremony, we capture every moment of your special day. Making your wedding a truly unforgettable celebration.

Your very presence, my dear, makes my life complete,
Without you everything around me is colorless and bleak.
So promise me that you will never ever leave my side,
In any kind of stormy weather or tide.
Always stay by me, holding my hand,
For only you can take me into a magical land.

Believe in love is the one
that will last forever
It's not just a feeling
but a promise that you will
be together for the rest of your life

Good luck! Congratulations!
Best wishes! Cheers! Well done!
The future's full of promise and
It's only just begun
You're starting on a journey
A new, exciting life
Together, as a partnership
As husband and as wife
Adventures, thrills and choices
Are waiting just for you
The road will have some turnings
And perhaps a bump or two
But you'll be strong together
You'll come through every test
Your love will deepen week by week
Be happy. All the best.

THE BEST DAY IN MY LIFE WAS THE DAY I MARRIED YOU.
I DON'T THINK I'M SAYING TOO MUCH.
I COULDN'T IMAGINE A SINGLE DAY - WITHOUT YOU
I'VE JUST LIVED MY LIFE AND YOU'VE BEEN ALONG

WEDDING

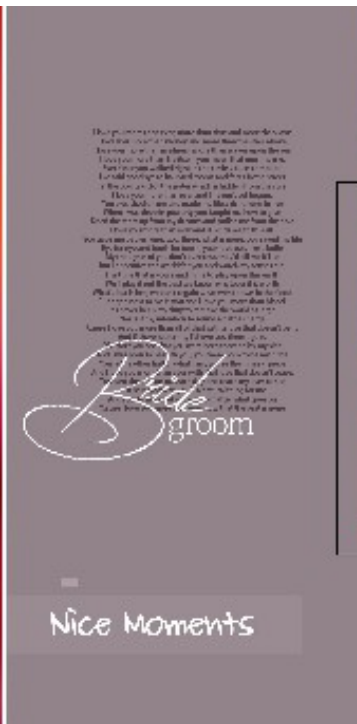

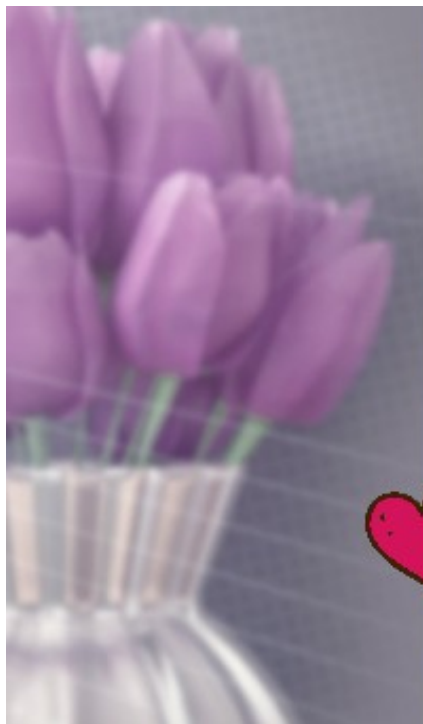

"There are two basic motivating forces:
fear and love. When we are afraid,
we go back to our life. When we are in love,
we open to all that life has to offer with passion,
commitment, and acceptance.
When it is love that becomes loveless,
we still our glory and our perfection.
If we cannot love ourselves,
we cannot fully open our ability to love others or
our potential to evolve."

Congratulations on your wedding day,
Each of you is very special in your own way.
Together you are even more special,
May your love will never be perishable!
