Memories . Moments . Cheerfull

It is easy to love people for many
It is not always easy to love
those who are to us. It is easier
to get a cup of tea to make
happier than it is to love the happiness
and pain of constant mother and
to see you from. Every day
with your love for this is
what we live for each
other and start.

BEST MEMORIES

It is not true that people in America have no sense of humor. It is only true that Americans have a different sense of humor than people in other nations. Being serious is not necessarily bad, and some of the most serious people in America are those who are trying to make the world a better place.

BEST WISHES

BRIDE

Forever is not an option. It's a choice. And it's a choice I made.

HAPPY WEDDING BRIDE

I have learned that only two things
are necessary to keep one's wife happy.
First, let her think she's having her own way...
And second, let her have it.

Bride Memories

only if you could look
in my heart,
my feelings
could tell
all that you have to me
your childhood
all the things you
I know the
best express about
our love and
our happiness...

A romantic couple is shown in a close embrace. The man, on the left, has dark curly hair and a beard, wearing a red shirt. The woman, on the right, has long dark hair and is wearing a green and white patterned saree with gold jewelry, including bangles and a necklace. They are looking at each other affectionately. The background is a warm, golden-brown gradient. Several vintage-style lanterns hang from chains, glowing with a warm light. In the lower-left background, there is a silhouette of a traditional Indian temple with multiple tiers and a dome. The overall mood is romantic and celebratory.

Here's wishing each new
day finds your hearts closer,
your lives fuller, your love deeper.
Congratulations to your new life together.
