OUR SPECIAL MOMENTS

If I could reach up and hold a star for
every time you've made me smile,
the entire evening sky would be in
the palm of my hand.
You know you're in my life
when you see the world in my eyes,
and see your everywhere in the
world.

THE DAY

You'll learn to lower
your expectations about
what you can
accomplish in a day.
Some days, it will
be all you

are able to keep *babys* safe, warm,
and fed. And that will be enough
